

A Summer Prayer

May you breathe in the beauty of summer with its power of transformation.
May this beauty permeate all that feels un-beautiful in you.

May you seek and find spaces of repose during these summer months.
May these moments refresh and restore the tired places within you.

May you be open to times of celebration and recreation that are so much a part of summer.

May you find happiness in these times of play and leisure.

May your eyes see the wonders of summer's colours.
May these colours delight you and entice you into contemplation and joy.

May you feel energy of summer rains penetrating thirsty gardens, golf courses, lawns and farmlands.
May these rains remind you that your inner thirst needs quenching.
May your inner self be refreshed, restored, and renewed.

May you savour fresh produce that comes to your table and enjoy the fruits of summer's bounty.

May you find shelter when the stormy skies of summer threaten your safety.
May you enjoy the unexpected and find surprises of beauty and happiness as you travel the roads on summer vacation.

May the God of summer give us shelter when inner storms threaten our peace of mind and heart.
