

Mary chose the Better Part

Time spent with people we love is time
treasured in our memory.

In the time together love grows, friendships deepen
and people come to mean more to each other.

Time spent with each other in marriage is the place where we
feel we are worthwhile, valued, loved.

Time spent with children is the place from which love's
energies extend and reach out to children.

There are times when we must work for and with each other,
when we must be busy, and there are times for just
being together.

Time spent with God is like the time of Mary at the feet of
Jesus,
in the spaces of prayer love deepens in the heart,
The warmth of God takes hold of the heart and
we are once again made whole.

This is the time—
time spent with Jesus—when we can relax into the mystery
of being loved, of being forgiven, of being called,
and of being totally held, now and forever, in love.
