

The Beatitudes

If you can hold great riches
 Never letting them hold you.
 If you can hear your praises sung
 And still give God his due.

If you can help the slow and weak
 And raise the one who falls
 And quickly come with helping hand
 When anybody calls.

If you have a heart which is free
 From selfishness and sin
 And keep that heart so God's great light
 May shine more strongly in.

If you can give forgiveness
 To the one who hurts your heart
 If you can build a bridge and bring
 Together those of heart.

If you can say "This thing is wrong"
 Or "That is right to do"
 And stand your ground though other hearts
 Would pain and punish you.

If you can be a friend to all
 To all be strong and true
 Then God who made the world
 Will make his Kingdom come in you.
