

I am neither a man of letters nor of science,
 But I humbly claim to be a man of prayer.
 It is prayer that has saved my life.
 Without it I would have lost my reason long ago.

If I did not lose my peace of soul
 In the midst of my many trails,
 It is because of the peace that came to me through prayer.
 One can live several days without food,
 But not without prayer.

Prayer is the key to each morning,
 And the lock to each evening.
 It is a sacred alliance between God and us.
 It delivers us from the clutches of the prince of darkness.
 We have to choose either to ally ourselves
 With the force of evil or with the forces of good.

Let everyone try this experience,
 And they will find that daily prayer
 Will add something new to their lives,
 Something which cannot be found elsewhere.
 This is my sacred teaching.

- *Mahatma Gandhi*

Journey in Faith

A program that is designed to help those who would like to know more about the catholic faith. If you are interested please get in touch with Deacon David or Fr Jim.

God is with us in the Storms of life

God is our shelter,
in the storms of stress
He brings comfort
to us in our distress

God is our shelter,
in the storms of sorrow
He gives us the joy
to face our tomorrows.

God is our shelter,
in the storms of fear
He brings us peace
by His drawing near.

God is our shelter,
in the storms of grief
He gives us strength
brings our hearts relief.

God is our shelter,
in all the storms of life
He brings us calm
in the midst of our strife!
