A Lenten Reflection

I'm very sinful

So don't try to convince me that

I am a very graced person

Because at the end of the day

I accuse myself in every single way

And I'm not going to lie to myself by saying

There is grace inside me that matters

So rest assured I will daily remind myself

That I am a worthless, terrible person

And nothing you say will make me believe

I still have God's love

Because no matter what,

I am not good enough to be loved

And I am in no position to believe that

God's grace does exist within me

Because whenever I look in the mirror I always think

Am I as sinful as I believe?

Now read this again from the bottom up
